My Request

- How much money I would like to receive each month:

- Minimum # of Months:

- For the following months: (month/year in # form, i.e. for July 2021, October 2021 and December 2021 you would write "7/21, 10/21, 12/21")

- If you do not have enough funds available to fulfill my request for those months (Rank each option from 1 to 4, where 1 is the option you most prefer and 4 is the option you least prefer):
 - Option A: Give me as much as you are willing to give me for those months. Must be the same amount at the minimum or higher every time. Please let me know what minimum you choose so I can budget around it!
 - Option B: Give me the funds I requested but for different months than I specified. If so please let me know in advance what months you choose so I can budget around it!
 - Option C: Wait until you do have the available funds and then give them to me all in the same month.
 - Option D: Do not give me anything. I will ask other funders instead.

If you would please do this for me I would greatly appreciate it. Thank you so much! :)
